Cocktail List

Espresso Martini £7.50

A modern take on the classic martini with a good hit of caffeine, perfect for just sipping or catching up with friends. A double measure of our house vodka is shaken together over ice with our home-made sugar syrup, a half shot of fresh espresso and a shot of our unique coffee liquor. Served in a chilled martini glass and garnished with our house blend of coffee beans.

Elsworth Summer Cup £7.50

A refreshing summer beverage that can be enjoyed all year round. Our home-made blend of gin and orange bitters form the base of our Pimms which is topped with lashings of ice, ginger beer and seasonally garnished with mint and fruit.

Gin Fizz £7.50

A citrusy long drink with a prosecco finish. A double measure of our house gin is shaken with ice and citrus juice. Lemonade and prosecco add a sweet and tangy taste to the flavours of citrus and dry gin, garnished with fresh lemon and lime.

Peaky Blinders Birmingham Dark 'N' Stormy £7.50

Showcasing our Peaky Blinders dark spiced rum, we top a double measure with refreshing ginger beer and garnish with a lime wedge making the Jamaican classic cocktail but with a Peaky Blinders twist.

Aperol Spritz £6.50

A personal favourite of Rebecca & Bruce. A large measure of Aperol is added to chilled prosecco and topped with soda water garnished with orange peel and served in a large wine glass with ice. The perfect drink for any social occasions according to the Italians and we agree with them.

Bellini £6.50

A twist on the already hugely popular glass of prosecco, you have a choice of either an Orange, Peach or Rhubarb liquor which is then layered in a champagne flute with prosecco.

Kia Royal £6.50

Very similar to the Bellini however we layer prosecco onto cassis adding a touch of elegance to your tippie worthy of royalty.
